(2) During the Term of this Agreement, either Party may, as the “Disclosing Party,” disclose its Confidential Information to the other Party (the “Recipient”), in writing, visually or orally; provided, however, the Disclosing Party shall, at the time of disclosure, clearly identify to the Recipient what constitutes the Disclosing Party’s Confidential Information. Recipient agrees not to: (i) make use of the Confidential Information except for the performance of the Services (or as otherwise authorized by the Disclosing Party in writing); or (ii) disclose the Confidential Information to any third party or parties (including, without limitation, Recipient’s affiliates), unless required by law, without the prior written consent of the Disclosing Party. In the event that Recipient is required by law to disclose the Confidential Information, it will promptly notify the Disclosing Party, and the Disclosing Party may, at its sole discretion and expense, initiate legal action to prevent, limit or condition such disclosure.

(3) Recipient shall use its reasonable best efforts to preserve the confidentiality of the Confidential Information (using the same or similar protections as it would as if the Confidential Information were Recipient’s own, and in any event, not less than reasonable care).

(4) Notwithstanding any other provision of this Agreement, Recipient may retain one (1) copy of the Disclosing Party’s Confidential Information in its confidential files, for the sole purpose of establishing compliance with the terms hereof.
F. PUBLICATION: University, as an Idaho public institution of higher education, engages only in work that is compatible, consistent, and beneficial to its academic role and mission. Therefore, significant results developed during the performance of the Services must be reasonably available for publication. The Parties acknowledge that University shall have the right to publish results. University agrees that any Confidential Information supplied to it by Sponsor during the Term will not be included in any published material without prior approval from Sponsor.

Results under this Agreement are not intended to imply University endorsement of a particular political candidate, political view or any commercial or non-commercial product. Sponsor’s citation of University’s results under this Agreement must include a disclosure of Sponsor’s financial support to University for the performance of the Services.

G. INTELLECTUAL PROPERTY: “Intellectual Property,” as used herein, shall mean all discoveries, inventions, designs, methodologies, improvements, software, data, and works of authorship, conceived, made, discovered, written or first reduced to practice in performance of the Services (“IP”) and any related rights such as patents, copyrights (including moral rights), mask works, and trade secrets.

   (1) IP shall be owned as follows:

      (a) IP created solely by one or more employees of University (“University IP”) shall be owned by University.

      (b) IP created solely by one or more employees of Sponsor (“Sponsor IP”) shall be owned by Sponsor.

      (c) IP jointly created by one or more employees of University and one or more employees of Sponsor (“Joint IP”) shall be owned by University and licensed to Sponsor in accordance with paragraph G(2) below.

   (2) IP shall be licensed as follows:

      (a) With the exception of student theses and dissertations, in consideration for sponsoring the Agreement, University shall grant to Sponsor a non-exclusive, non-transferable, perpetual and royalty-free license (without the right to sublicense) to use University IP and Joint IP exclusively for Sponsor’s own internal research and development purposes (and not for any commercial or for-profit purpose).

      (b) Sponsor shall grant to University a non-exclusive, perpetual, world-wide, and royalty-free license to use Sponsor IP for any lawful purpose of University, but not for any commercial or for-profit purpose.

      (c) Sponsor shall have the first right to negotiate a fee-bearing or royalty-bearing non-exclusive or exclusive license or a fee-bearing option to any University IP and/or Joint IP, provided that Sponsor agrees that in any license, option or similar agreement, Sponsor will be required to pay all costs for the preparation, filing, prosecution, and maintenance of any patents or copyrights on such IP (“Negotiation Right”). Sponsor has ninety (90) days following the disclosure of IP by University to exercise its Negotiation Right (“Negotiation Period”). Sponsor must submit a written notice to University, within the Negotiation Period, in order to exercise its Negotiation Right. If the Negotiation Period expires before University receives Sponsor’s written notice exercising the Negotiation Right or as provided below, Sponsor shall have no further rights to University IP or Joint IP (except as authorized in accordance with paragraph G(2)(a) above).
(3) Each Party shall require its employees to promptly disclose any IP arising from this Agreement. Each Party agrees to provide the other Party with a copy of each IP disclosure within thirty (30) days after the disclosure is made, and in addition, will provide the other Party with a written listing of all IP created pursuant to this Agreement within sixty (60) days from the expiration or termination of this Agreement. For all such IP identified, University and Sponsor shall provide, via separate written agreement, licenses to University IP, Sponsor IP, and/or Joint IP according to the provisions of paragraph G(2) above. Each Party will consult with the other Party at least thirty (30) days prior to filing any patent or copyright application for IP and shall promptly notify the other Party of any patents or copyright registrations issued.

(4) Intellectual property created externally to this Agreement and the performance of the Services (“Background IP”) will be owned by the originating Party. Nothing in this Agreement will be construed as any conferral of rights to any of the Parties regarding such Background IP.

(5) Notwithstanding anything in this Agreement to the contrary, any grant of IP rights by University to Sponsor hereunder is specifically conditioned upon the compliance of such grant of IP rights with Export Control Laws (defined in Paragraph O(6) below).

(6) Nothing contained in this Agreement is to be construed as permission, a recommendation, or an inducement to use or practice any product, process, equipment, or formulation that may infringe upon any other intellectual property rights without the prior written permission of the intellectual property owner. UNIVERSITY DOES NOT MAKE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, THAT THE USE OF ANY BACKGROUND IP (IF ITS USE IS AUTHORIZED), UNIVERSITY IP AND/OR JOINT IP WILL NOT INFRINGE ANY PATENT OR OTHER INTELLECTUAL PROPERTY RIGHTS.

H. EQUIPMENT & SUPPLIES: Unless otherwise provided in the Scope of Work, all equipment and supplies purchased with funds provided under this Agreement for use in connection with this Agreement shall be the exclusive property of University in perpetuity, and shall be utilized in part in order to complete the Services during the Term.

I. LIABILITY; INSURANCE: Each Party hereto agrees to be responsible and assume liability for its own wrongful or negligent acts or omissions, or those of its officers, agents, contractors or employees, to the full extent required by law. Liability of University is at all times herein strictly limited and controlled by the provisions of Idaho law, including, without limitation, the Idaho Tort Claims Act, Idaho Code §§ 6-901 et seq. as amended from time to time (the “Act”). Nothing herein shall be deemed to constitute a waiver of any privilege, immunity, protection, or defense afforded University, as an entity of the State of Idaho, under the Idaho Constitution, the Act, Idaho statutes or any other applicable law. Neither Sponsor nor University warrant or assume liability for the interpretation or use of data or results produced under this Agreement.

Each Party represents and warrants it maintains comprehensive general liability insurance and all coverages required by law sufficient for the purpose of carrying out the duties and obligations arising under this Agreement. University shall maintain, at all times applicable hereto, comprehensive liability coverage in such amounts as are prescribed by Idaho Code § 6-924 as amended from time to time, as well as worker’s compensation coverage for its employees as required by Idaho Code § 72-301 as amended from time to time. University’s liability coverage obligations shall be administered by the Administrator of the Division of Insurance Management in the Department of Administration for the State of Idaho, and may be covered, in whole or in part, by the State of Idaho’s Retained Risk Account. University shall cover its liability for worker’s compensation through the State of Idaho’s State Insurance Fund. Upon
written request, a Party will furnish the other Party a certificate evidencing the insurance required by this paragraph I.

J. SERVICES; DELIVERABLES; DISCLAIMER: University will make best efforts to ensure that its performance of the Services, including all deliverables provided under this Agreement, are provided substantially in accordance with the Scope of Work. TECHNICAL DATA, RESULTS, DELIVERABLES, REPORTS, IP DISCLOSURES, AND IP PROVIDED BY UNIVERSITY ARE PROVIDED STRICTLY “AS IS, WHERE IS” WITHOUT ANY WARRANTY OR GUARANTY OF ANY KIND. ALL WARRANTIES, EXPRESS AND IMPLIED, ARE HEREBY EXPRESSLY DISCLAIMED INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. UNIVERSITY SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE LOSS OR DAMAGE OF ANY KIND, INCLUDING, WITHOUT LIMITATION, LOST PROFITS (REGARDLESS OF WHETHER OR NOT UNIVERSITY KNOWS OR SHOULD KNOW OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES).

K. USE OF TRADENAMES AND SERVICE MARKS: Neither Party obtains by this Agreement any right, title, or interest in, or any right to reproduce or to use for any purpose, the name, tradenames, trade- or service marks, or logos (collectively, the “Marks”) of the other Party. Neither Party will include the name of the other Party or of any employee of that Party in any advertising, sales promotion, or other publicity matter without the prior written approval of that other Party. In the case of University, prior written approval is required from the Director of Trademark Licensing and Enforcement. In the case of Sponsor, prior written approval is required from an authorized representative of Sponsor.

L. TERMINATION: Either Party may terminate this Agreement, without cause, upon not less than sixty (60) days' written notice, given in accordance with the Notice provisions of this Agreement. Termination of this Agreement shall not relieve a Party from its obligations incurred prior to the termination date. Upon early termination of this Agreement by Sponsor, Sponsor shall pay all costs accrued by University as of the date of termination, including, without limitation, non-cancelable obligations for the Term (which shall include all appointments of staff incurred prior to the effective date of the termination). University shall exert its best efforts to limit or terminate any outstanding financial commitments for which Sponsor is to be liable. University shall furnish, within ninety (90) days of the effective termination date, a final report of all costs incurred and all funds received, and shall reimburse Sponsor for payments that may have been advanced in excess of University’s total costs incurred.

M. DEFAULT: A Party will be considered in default of its obligations under this Agreement if such Party should fail to observe, to comply with or to perform any term, condition, or covenant contained in this Agreement, and such failure continues for thirty (30) days after the non-defaulting Party gives the defaulting Party written notice thereof. In the event of default, the non-defaulting Party, upon written notice to the defaulting Party, may terminate this Agreement as of the date specified in the notice, and may seek such other and further relief as may be provided by law. Notwithstanding the foregoing, in the event of a breach or threatened breach of paragraph E or G of this Agreement, the non-defaulting Party may terminate the Agreement immediately without affording the defaulting Party the opportunity to cure, and may seek an injunction or restraining order as required to prevent unauthorized disclosures of Confidential Information or unauthorized use of its Marks, IP, and/or Background IP.
