COMPLETING SECTION 9 – ADDITIONAL INFORMATION

1. Do you anticipate the need to make payments to foreign nationals?

1.1. Identify whether you anticipate the need to make payments to foreign nationals (e.g., travel costs, honoraria).

1.2. If “Yes,” please contact taxreporting@boisestate.edu to obtain instructions regarding how to do this compliantly and to ensure your proposal budget sufficiently covers potential tax liabilities. (Note: Also, by choosing “Yes,” taxreporting@boisestate.edu receives a courtesy notification about your proposal.)

2. Do you anticipate the need to share information with foreign nationals?

2.1. Identify whether you anticipate the need to share information (e.g., in-person, phone call, Google Docs, e-mail, fax) with foreign nationals, whether inside or outside of the U.S.? “Foreign nationals” are those individuals who are not “U.S. Persons.” Generally speaking, U.S. Persons are only U.S. citizens and Lawful Permanent Residents of the U.S. (i.e., Green Card holders). See, e.g., 15 CFR § 772.1 (defining “U.S. Person”).

2.2. If “Yes,” please contact John McDonald in the Office of Institutional Compliance for assistance ((208) 426-1252 or johnnymcdonald@boisestate.edu). This issue will also appear in Part II of the Proposal Workflow as Principal Investigator Award Certifications and Assurances.

3. Do you anticipate course release time?

3.1. Identify whether you anticipate course release time while you perform this proposed work if awarded.
4. Are the proposed activities related to the Center for Advanced Energy Studies?

Identify whether the proposed activities are related to the Center for Advanced Energy Studies (“CAES”). This information is needed for various reasons, including reporting requirements.

5. OIT / Research Computing

5.1. Identify whether you anticipate OIT/Research Computing support for your proposal if awarded.

5.2. If “Yes,” please describe the type(s) of support you anticipate.

5.3. If “I am unsure,” please explain and then contact researchcomputing@boisestate.edu if you have additional questions.
6. **Do you plan to use approved Boise State University Recharge Centers?**

6.1. Identify whether services from a Boise State University Recharge Center are included in the budget.

Are services from an approved Boise State University Recharge Center included in the proposed budget?

- [ ] Yes
- [ ] No

6.2. If “Yes,” select the applicable Recharge Center(s) from the options that open.

Recharge Center:
- [ ] Biomolecular Research Center (BRC)
- [ ] BioTrace Laboratory (BTL)
- [ ] Boise Center Aerospace Laboratory (BCAL)
- [ ] Boise State Center for Materials Characterization (BSCMC)
- [ ] Flow Cytometry Core Facility (FCCF)
- [ ] Idaho Microfabrication Laboratory (IML)
- [ ] Isotope Geology Laboratory (IGL)
- [ ] Microscopy and Characterization Suite (MaCS)
- [ ] Nanotechnology and Biotechnology Instrumentation Center (NABIC)
- [ ] Raptor Research Center (RRC)
- [ ] Stable Isotope Laboratory (SIL)
- [ ] Vivarium Repository Services (VRS)

7. **Proposal Due Date**

Enter the proposal due date.

Proposal Due Date:

8. **Proposal Submission Date**

The OSP Research Administrator will enter the Proposal Submission Date after the Dean / Director signs off on the proposal. See the Frevvo User Guide for more information.

Proposal Submission Date:

9. **Program Name & Solicitation Number**

Enter the program name and solicitation number.

Program Name & Solicitation Number:
